1. PURPOSE

The Trust is committed to providing employees with a work-life balance and offering opportunities to retain experienced and competent members of staff to enable the constant delivery of high quality education.

2. INTRODUCTION

Sabbatical leave is an extended period of authorised unpaid leave. This policy covers which employees are eligible, provides an overview of the process for applying for sabbatical leave and important information for employees to consider when applying for a period of sabbatical leave.

Sabbatical leave is not an entitlement, but the Trust recognises that for employees to balance their work with other aspirations, commitments and responsibilities during their career, there may be circumstances where it may be beneficial to the member of staff and the academy/Trust to allow an unpaid period of time away from work, for example, to undertake further education/study or travel.

The purpose of sabbatical leave will normally be linked to an employee's personal development outside their employment, allowing the employee to return to work with enhanced skills and ideas. The employee must set out their reason as part of their application in order for the academy/Trust to properly consider the request.

Each request will be considered on a case by case basis taking into account all the individual circumstances and will be subject to approval from the Headteacher.

The academy/Trust will consider any such request and any period of sabbatical leave, where granted, will be entirely at the academy/Trust's discretion and with such conditions as the academy/Trust considers appropriate.

This policy is non contractual and may be subject to review, amendment or withdrawal at the academy/Trust's discretion upon reasonable notice.

3. ELIGIBILITY

Employees with 5 or more years' service with the academy/Trust will be eligible to apply for sabbatical leave.

Both full-time and part-time employees with the relevant service are eligible to apply. Casual/relief/agency staff will not be eligible to apply for sabbatical leave.

Sabbatical leave may, at the academy/Trust's discretion, be granted more than once during the course of an employee's employment only in exceptional

circumstances and only where a period of 5 years or more has passed since the employee returned to work following his/her first period of sabbatical leave.

4. APPLYING FOR SABBATICAL LEAVE

Any eligible employee wishing to make an application for sabbatical leave should do so on the form at Appendix1 stating:

- the proposed objectives;
- the proposed duration of the sabbatical leave (normally between one month and one year); and
- the perceived benefits for the academy/Trust and the employee.

The form should be submitted to the Headteacher. For applications by the Headteacher the form should be submitted to the Chair of the Local Governing Committee/Chair of the Trust Board.

Applications should be submitted at least 3 months prior to the requested sabbatical start date.

5. CONSIDERING THE REQUEST

Each application will be considered and assessed by the academy/Trust on an individual basis taking into account a range of relevant issues including but not limited to:

- Workload implications for colleagues
- Ability to recruit cover where necessary
- Financial implications
- Impact on quality and level of education delivery
- Potential benefits to both the member of staff and the academy/Trust

Consideration of the academy/Trust's ability to continue to deliver a high standard of education during the period of absence will be paramount.

If a request is refused the member of staff will be notified of the reasons for refusal and of their right of appeal. If a request cannot be accommodated but an alternative arrangement (e.g. a different/shorter duration or different dates would be acceptable) is proposed by the academy/Trust this will be communicated to the employee.

The approval section on the sabbatical request form should be completed and signed and a copy of the form will be provided to the employee.

The request for sabbatical leave and a copy of the decision will be placed on the employee's personal file.

6. ARRANGEMENTS DURING THE PERIOD OF SABBATICAL LEAVE

During any agreed period of sabbatical leave the employee will be unpaid and the contract will be suspended, which means there will be no entitlement to

contractual benefits for the duration of the sabbatical. However, the employee's continuous service will be preserved.

Employees will return to work after their period of sabbatical leave at the salary level applicable immediately prior to the period of authorised leave. The performance management process will be suspended during the sabbatical period and will resume once the employee returns to work.

The employee is required to keep up to date with any relevant developments in their profession/area of work, professional training, accreditation needs, including attendance at specified training/development courses to ensure they maintain their professional registration/membership, and to provide any necessary evidence of such on or prior to their return to work.

The employee will not be permitted to take up employment or provide any consultancy services during any agreed sabbatical leave without the prior written permission of the Trust. All academy and Trust policies will continue to apply for the duration of the sabbatical, including but not limited to, the Code of Conduct, Disciplinary Procedure and safeguarding/Child Protection.

The employee will be required to keep in contact with the academy/Trust whilst on sabbatical leave on a monthly basis as agreed prior to the start of the sabbatical period.

There is no entitlement to annual leave during the sabbatical period as the contract is suspended. For support staff contracted to work for 52 weeks, any accrued but unused holiday entitlement for the current holiday year must be taken prior to the start of the employee's sabbatical leave.

If the employee wishes to terminate their employment during sabbatical leave, they must do so by giving the written notice required according to their contract of employment.

7. IMPACT ON PENSION

When a Pension Scheme member has authorised unpaid leave of absence, the period of any such leave will affect their Pension.

8. RETURN FROM SABBATICAL LEAVE

Prior to the employee's return to work, they will be expected to attend an appropriate re-induction meeting to ensure that the employee is able to effectively fulfil the requirements of the role immediately on return to work.

Any training needs will be discussed and agreed with the employee depending on the length of the sabbatical period.

9. VARYING THE DURATION OF THE SABBATICAL LEAVE

During the period of sabbatical leave, a request for the period to be varied (either extended or reduced) must be made in writing (by letter or by email) giving a minimum of 1 month's notice.

An earlier or later return to work may be accommodated only where it is possible for the academy/Trust to make suitable arrangements for this and such requests to vary the period of leave will be considered on a case by case basis.

10. FAILURE TO RETURN FROM SABBATICAL LEAVE

Failure to return to the academy/Trust at the end of the sabbatical period, without seeking a variation to the sabbatical period, will be regarded as unauthorised absence and will be managed in line with the Trust's disciplinary procedure.

11. APPEAL

Employees have the right to appeal against a refusal to approve a sabbatical request. Appeals should be submitted within 5 days of receiving the decision.

Any appeal lodged against a decision relating to a sabbatical request will be heard by the Personnel Appeals Committee of the Local Government Committee or the Trust Board.

The employee and their chosen representative (normally a representative from a recognised trade union or work colleague) may attend any such appeal meeting to make representation.

The decision of the Appeals Committee will be final.

12. DATA PROTECTION

When an employee makes a request for a sabbatical under this policy, the academy/Trust will process any personal data collected (including written records of meetings held under this process) in accordance with its data protection policy. In particular, the academy/Trust will only record personal information required to deal with the employee's request for sabbatical leave and keep this information only for as long as necessary to deal with the request. Data collected as part of a sabbatical request is held securely and accessed by, and disclosed to, individuals only for the purposes of responding to sabbatical requests.

On the conclusion of the process, data collected will be held in accordance with the Trust's retention schedule. In appropriate access or disclosure of

employee data constitutes a data breach and should be reported in accordance with the academy/Trust's data protection policy immediately. It may also constitute a disciplinary offence, which will be dealt with under the Trust's disciplinary procedure.
