

OUR VISION : OUR GUIDING PRINCIPLES : OUR MISSION

Our Vision of Christus Catholic Trust

The Christus Catholic Trust is a beacon of the great treasure of Catholic Education that looks to realise Christ's desire for us all that we might *'have life and have it to the full'*.

The Christus Catholic Trust is a place of great ethnic richness, a place characterised by tolerance, respect, a genuine spirit of enquiry and search for truth. It is an environment that ensures tolerance and mutual respect are priorities and where every child is welcomed, valued and respected and where they will be affirmed, supported and encouraged. By keeping Christ at the centre of our Trust and schools the values of love, truth, mutual respect forgiveness and a special care for the vulnerable are evident.

The Christus Catholic Trust is symbolic of why Catholic Education is of fundamental importance now and for all future generations.
